The Organizer shall reserve the right of veto where works do not meet requisite standards in terms of quality or technical requirements. Participation in exhibitions in previous years does not constitute automatic authorization to participate in the 2018 Exhibition.

1.2.4. Approval and confirmation of participation

Those approved for participation in the Exhibition shall be notified by the Organizer in writing. At that point the participation agreement shall be deemed concluded subject to the proviso in Item 1.4. For confirmed participation at the Exhibition (stand rental and participant’s access to the Exhibition) a participation fee of CHF 390.00 (Incl. VAT) shall be charged. This fee shall be payable by the participants within 10 days of written approval from the Organizer. The Organizer’s decision on participation in the Exhibition is final.

1.3. Stand placement

The Organizer shall determine participants’ final display location at the Exhibition. The Organizer further reserves the right to move participants at short notice where this is in the interests of the Exhibition.

1.4. Right to withdraw / Exclusion

The selected participants have the right to withdraw from the Exhibition within five days of receiving confirmation of their participation in writing and without specifying grounds. Such withdrawal shall not incur costs. Where withdrawal occurs after the withdrawal deadline has elapsed, a penalty of CHF 500.00 shall be charged. The same regulation shall apply where the participant's behavior gives grounds for exclusion from the Exhibition (e.g. improper behavior on site at the Exhibition or non-compliance with the required payment conditions). The right to claim for further compensation is reserved.

1.5. Disclaimer

The Organizer accepts no duty of care for the Exhibition items and subject to Art. 100, Section 1 of the Swiss Code of Obligations accepts no liability whatsoever for damage or misplacement either during the period of the Exhibition or during transport to and from the venue. The direct sale of items is not permitted during the Exhibition. Exhibition participants shall furnish the Organizer with 10 copies of a binding price list one week prior to the Exhibition. It is forbidden to affix prices to the exhibition area/stand inscription. For each sale the Organizer shall charge the participant 20% of the sale price as compensation for the Organizer's outlay. The Organizer shall be authorized to undertake random testing within the Exhibition grounds. Non-compliance may lead to exclusion for an indefinite period and claims for compensation.

1.7. Directory of participants/catalog

The Organizer is solely authorized to issue a (digital or printed) directory of participants. Participation in the Exhibition includes complimentary listing for every participant in the web catalog on the www.photoschweiz.ch platform. The web catalog entry includes a portrait, a portfolio overview, contact details and linked websites. To ensure the completeness of the catalog, any participants at the Exhibition whose catalog entries are not submitted by the deadline will be included by the Organizer in the catalog at the expense of the participant and without accepting any responsibility for the accuracy of the information.
